

A REAL odor remover can't have a scent!

"I've always laughed at scented 'odor' removers. It only proves they don't work. If they did, the scent would not remain."

**AtmosKlear
Eliminates
odors on
contact!**

AtmosKlear is Green – and Gentle!

Tough on odors, but gentle on living creatures, plants, rivers, lakes and streams. Kind to anyone with allergies and chemical sensitivities. Safe enough for hands, clothing and pets.

Use to eliminate any odor

Smoke, mildew, perspiration, skunk, urine/bathroom, pet, cooking – just to name a few.

Use on all surfaces

Homes, autos, trucks, boats, sports equipment, furniture, carpets, furnace filters and ducts or tents. AtmosKlear removes odors from smoke to skunk spray. Gentle enough for use on pets and people.

The #1 rated odor eliminator on the market!

Featured in hundreds of newspapers, periodicals, and trade magazines. Highlighted on television and radio. Used by commercial and industrial giants like Delta Airlines and General Motors.
