

New!

We've made the best even better!

"The other" Best Press #2 is formulated for a firm, stiff press!

Fragrance-Free

**A Best Press
Designed
for Quilters!**

*Mary Ellen makes you a stiff one...
for an easier and more fun quilting
experience.*

*As new quilting techniques are created, newer products are needed to help make the job easier. **The "other" Best Press** is one of those products. It solves many of the challenges faced when quilting in layers.*

- Appliqués and tiny stamp-like fabric pieces are easier to handle
- Fabric will not shift or stretch while sewing
- Adds body to flimsy, thin fabrics too
- This does not replace the original Best Press! You'll find both are necessary to make the perfect quilt.

"The other" Best Press #2 isn't a starch! It's an organic starch alternative formulated to eliminate all the problems associated with spray starch products.

- No flaking, even on dark fabrics
- No sticking or scorching
- Leaves no residue on fabric or iron's soleplate
- Fragrance-free
- Anti-static
- No clogging or sputtering
- Doesn't attract bugs
- Gluten Free
